

RELATORE

Dott. Luca Gandini

Amministratore Delegato ATLA Srl

Luca Gandini is the Chief Executive Officer of ATLA. Before being named CEO, he held leadership roles across the company.

Joining ATLA in 1994, he quickly became a leader, giving new impetus to business and Company Values. He oversees the strategic direction of the Chieri-based Aerospace company, which employs more than 90 people, and the relationships with partners of Mitsubishi Heavy Industries, Ltd (MHI), one of the world's leading industrial groups, spanning Energy, Logistics, Infrastructure, Industrial machinery, Aerospace and Defense.

In this role he leads the transformation to the new Aerospace business and Industry 4.0, investing in qualified engineering staff and smart factory with the most advanced and disruptive technologies.

His goal is to meet market demand and expectations, ensuring fast delivery, excellent service and responsiveness, strong of a full set of Aerospace certifications and cutting-edge technologies.

Up to 2020, he volunteered in the Italian Association for Quality in Aerospace (AICQ).

He is respected by local community, supporting various sports, cultural, social, artistic and scientific activities. With priority on local projects and future generations, he contributes to the growth of the area in which ATLA operates, investing in local projects. Since 2013, he is the President of the soccer team A.S.D. Chieri, the third club in Turin area, behind Juventus and Torino, with more than 400 players.

He has a Master of Business Administration and an Economics degree.
