

RELATORE

Heli Greus

ESA

Ms Heli Greus was born in Haukipudas, Finland. She studied Space Systems Engineering and RF technology in Finland and has more than 20 years of experience in Space Product Assurance and Safety. Before joining ESA in May 2007, she worked for several Finnish space companies. At ESA, she has contributed to a wide range of projects across Science, Earth Observation, Telecommunications, and Space Safety, including Euclid, MTG, EDRS, HERA and RAMSES.
